NEED FOR ORGANIZED, AND EASY TO ACCESS GEAR

In today's battlefield environment, the need for organized, and easy to access gear could make the difference between success and failure. The amount of gear an operator is required to carry an use makes kit setup and essential element of any mission. The BLoCS setup can compartmentalize your kit in an easy to setup and access manner. We have all the kit you will need to meet any mission or challenge. Why not make sure you have all the angles covered? We do...

DESIGNED FOR THE BATTLEFIELD

Everyone needs an accessory pouch for all the miscellaneous mission essential gear. The Short, Tall, and Wide cover the whole spectrum of what you could need. Designed for the battlefield, these pouches fit on your belt, your vest, or your pack. The Short, or **BZAPS** is perfect for a Leica® or

Bushnell® rangefinder, or just carrying extra ammo or magazines. Fits well on the BLoCS Contoured Padded Pistol Belt. The Tall, or **BZAPT** is designed with a deep pouch for carrying a Nalgene® bottle or whatever you need to carry vertically. Never run out of water again on the range or out in the field. Perfect for carrying emergency water in an E&E setup. The possibilities are endless. The Wide, or **BZAPW** is great for a spotting scope, tripod, or even broken down MREs. Easy to secure to the outside of a pack or even the back of your BLoCS Contoured Padded Pistol belt — the uses are endless.
