Product Codes:

RAMMP-T — Trauma

RAMMP-PM — Preventative Medicine

RAMMP-WM — Wound Management

Note: Veterinary model also available, please call for details.

FULLY CUSTOMIZABLE PANEL

Designed by ARSOF medical operators, the RAMMP system is a fully customizable panel for trauma care & sick care providers working in fixed or temporary facilities as well as ground/air platforms. Features removable/interchangeable modular pouches to accommodate mission specific customization of medical supplies. Bridges the gap between aid bags & larger storage containers. S.O.TECH's interchangeable, high-visibility labels (Trauma, Preventative Medicine, Wound Management) allow for easy supply category recognition. Veterinary Supply labels are also available.

ADAPTABLE TO ANY CIRCUMSTANCES

This highly organized, modular system offers flexibility in tactical deployment & is adaptable to any circumstances where medical first aid will be administered. Panels can be hung both vertically or horizontally in temporary or permanent facilities as well as fixed wing, rotary wing & ground mobility vehicles. System can be carried backpack or suitcase style.
