

# CANINE PANEL

## PRODUCT CODE: MSP-K9

### EQUIPMENT FOR WORKING DOGS

Having worked with elite military and law enforcement organizations throughout the world to build top-rated nylon gear, we at S.O.Tech have expanded our line to include products designed for the most demanding K9 work. We've developed a line of products to aid police, corrections, military and fire services personnel as well as canine handlers and trainers in keeping their service dogs trained and performing their jobs effectively.

### CANINE INSERT PANEL : MSP-K9

Unique organizer features five detachable zippered pouches that can be used for storage of food, grooming tools, leashes, training aids and first aid. The first aid pouch can also be converted to a convenient fanny pack. The vinyl window on the outside holds necessary packing lists and essential veterinary records. Loops at each end can be used to hang panel when open or as carry handles when closed. Panel zips closed for transport and includes lightweight shoulder straps for carrying. Panel drops down inside the S.O.Tech Mission Packs for longer missions. Also includes a canine collar and leash, a 32 oz. Lexan bottle for transport of water and a collapsible bowl. 20" H x 12" W x 5" D (when closed).
