SLIVER SLIMLINE MEDICAL BACKPACK

PRODUCT CODE:

SLIVER (Panel only)

SLIVER-M (Panel w/ MOLLE)

SLIVER-F (Filled)

Super slimline 3" depth when folded and zippered closed. Comprised of a stiffened panel with multiple removable pouches, Davis Emergency Airway Roll (DEAR) and two Medical Aid Pouch Inserts (SOF-IMAPI) to accommodate mission specific customization of medical gear and supplies. Can be hung on a wall or laid on the ground to provide an organized method of carrying gear. Transport with convenient backpack straps or drop into current issue Mission Medical Packs (MPMD) and Mission Packs (MP). Interchangeable, high visibility labels identify pouch contents. Available in Coyote Brown. Choose slick version or MOLLE web version.

Also available in a filled version (SLIVER-F). Contact us for a complete contents listing.

Available with MOLLE web or slick.

Vinyl Pocket holds packing lists and other essential information.

Sized and shaped to fit into the **Mission Pack (MP)**.

Padded shoulder straps, waist strap, and vest attachment straps.

Conveniently carried as a slimline backpack.

Unzip for rapid access.

Individual Medical Aid Pouch Insert (SOF-IMAPI)

Full medical load out available in filled version (SLIVER-F).
